

Name _____

My Impurities

What is **impure** and **needs to be burned away** from my relationships with....

...God?

...other people?

...myself?

O Holy Spirit, burn your fire in my heart. Cleanse me of all that keeps me from being the truest version of myself. I am sorry for my sins, the times I have chosen to do wrong. I want to be holy and to follow the example of Jesus Christ. Amen.
