

## **BLUE Table – Oil**

### **Tangible Signs**

Look at the photos first. What is happening and when have you seen this done?

Look at the bottles. What is in them and what is their purpose?

Open the bottles and smell what is inside. Of apple, lavender and vanilla, which ones do you like best?

Now look at the plastic bag of samples. Open the samples and smell what is inside. Which of these do you like or dislike?

When might you use the products these samples are advertising?

**Scripture**

Read Ruth 3:3. What did Ruth do to get ready? How does it connect with the samples or objects?

Read Psalm 45:8-9 and put it in your own words.

Read Proverbs 27:9. Do you agree or disagree? Why?

**Read 1 Samuel 16:1-13. How do you think David felt about being anointed?**
