

PINK Table – Breath

Tangible Signs

Look at your objects first. What are they and what might a person use them for?

Experiment with your items. What effect does your breath have on them?

Now look at your photos. What role does breath play in each of these scenes?

Scripture

Read Genesis 2:7. What image do you see in your mind while reading this verse?

Why is breath important? In this passage, what gift is given to the man through breath?

[PINK Table continued]

Now read 1 Kings 19:11-13. Why do you think God chose to appear in the “light silent sound” rather than in the violent wind, fire or earthquake which came before it?

Next read Luke 8:40-42 and skip over to Luke 8:49-55. Why were the people at Jairus’ house concerned that his daughter was dead?

What happens when Jesus takes the little girl’s hand?

Now read John 20:19-23. What might be the reason Jesus breathed on his disciples in this scene?

Compare John 20:19-23 (Jesus breathing the Holy Spirit) with Genesis 2:7 (God breathing life into Adam). How are these images similar or different?
