

## **PRIEST**

**Brainstorming:** What words would you use to describe a good priest?

**Read Hebrews 4:14-16 and the blue “Did You Know?” box on p. 1629.**

What do you think is meant by the phrase “great high priest” (4:14)? Who is the priest being described?

What is verse 16 asking you to do? What might be challenging about doing that? (*Hint: read the “Searching for God” article on p. 1628*)
