

PROPHET

Brainstorming: What words would you use to describe a good prophet?

Read 2 Samuel 12:1-7 and the blue “Did You Know?” box on p. 362.

What does Nathan mean when he tells David, “You are the man!” (12:7)?
If you were David, what would you have done at this moment?

At which times have you had a difficult conversation with a friend like Nathan did with David?

(If time allows, also read and discuss the “Challenge” boxes on p. 363 and p. 986 of your Bible, to think more about being a prophet in daily life).
