Queen of Apostles Parish will host its annual community fest, Harvest Jam, on Friday, September 18, from 5 to 10 p.m. and on Saturday, September 19, from noon to 10 p.m. in the parish parking lot (Western and Sunnyside). The event is open to all and supported by our parish's many ministries in English and Spanish.

This year will feature multiple live performances each day. The two-day festival will also include games and prizes, bingo, a dedicated tent with activities for kids under five, and more. Food and beverages will be available for purchase, and community favorite cook-offs will take place.

This event is a true friend-raiser meant to bring our parish and neighbors together. The support of generous sponsors helps offset costs and create a welcoming and fun atmosphere for all.
