ALL SOULS DAY

Celebrating a Community of Excellence and Faith

BY THOMAS HOULIHAN, PRINCIPAL, QUEEN OF ANGELS SCHOOL

As a Catholic school community, Queen of Angels School has many reasons to be grateful. Recently, Queen of Angels School was honored as a 2026 Governor's Blue Ribbon School, one of only a select group of schools in Illinois to receive this distinction. While we are proud of the recognition itself, what makes this achievement truly special is what it represents: a community united around a shared mission to help young people grow academically, spiritually, socially, and personally.

This award is not the result of a single program, initiative, or individual. It is the product of countless daily efforts made by our students, teachers, staff, parents, parishioners, and school leaders working together toward a common goal. At Queen of Angels, we believe excellence is more than strong academics, although our students consistently demonstrate impressive achievement scoring in the top 15% nationally in both math and reading in each of the past few academic years. It is also about building a school culture where every child is known, supported, challenged, and encouraged to become the person God created them to be.

Como comunidad escolar católica, la Escuela Queen of Angels tiene muchos motivos para estar agradecida. Recientemente, fue reconocida como una Escuela Blue Ribbon del Gobernador 2026, siendo una de las pocas escuelas en Illinois en recibir esta distinción. Aunque nos sentimos orgullosos de este logro, lo que hace que sea verdaderamente especial es lo que representa: una comunidad unida en una misión compartida de ayudar a los jóvenes a crecer académica, espiritual, social y personalmente.

Este premio no es el resultado de un solo programa, iniciativa o individuo. Es el fruto de los innumerables esfuerzos diarios de nuestros estudiantes, maestros, personal, padres de familia, feligreses y líderes escolares que trabajan juntos hacia una meta común. En Queen of Angels, creemos que la excelencia va más allá de un sólido desempeño académico, aunque nuestros estudiantes han demostrado resultados sobresalientes, ubicándose entre el 15% de mejor rendimiento a nivel nacional en matemáticas y lectura durante los últimos años académicos. También se trata de construir una cultura escolar donde cada niño sea conocido, apoyado, desafiado y alentado a convertirse en la persona que Dios lo creó para ser.

As a ministry of Queen of Apostles Parish, our mission calls us to inspire students to think critically and creatively, act with integrity and justice, and serve others with compassionate and generous hearts. We seek to create Disciples of Christ with hope to bring in our community and the greater world beyond. This recognition affirms the importance of that mission and the impact it has on our students each day.

The Governor's Blue Ribbon Award recognizes schools that demonstrate exemplary performance, but at Queen of Angels, success is measured in many ways. We celebrate students who excel in the classroom, compete through athletics and extracurricular activities, serve their communities, lead with character, grow in faith, and support one another with kindness. These experiences help shape well-rounded young people who are prepared not only for future academic success, but also for lives of purpose and service.

We are especially grateful to our dedicated faculty and staff, whose commitment to students extends far beyond the school day. We thank our parents for their partnership and trust, as well as our parish community for its ongoing support of Catholic education. Together, we have built something special.

As we celebrate this milestone, we recognize that it is not a finish line but a reminder of what is possible when a community comes together around a shared vision. We look forward to continuing this work, remaining faithful to our mission, and providing an exceptional Catholic education for generations of students to come.

Thank you, Queen of Angels School and Queen of Apostles communities, for making this achievement possible. This Blue Ribbon belongs to all of us.

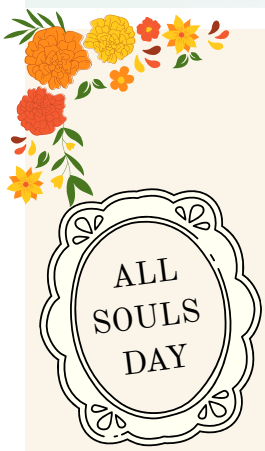

Como ministerio de la Parroquia Queen of Apostles, nuestra misión nos llama a inspirar a los estudiantes a pensar de manera crítica y creativa, actuar con integridad y justicia, y servir a los demás con corazones compasivos y generosos. Buscamos formar Discípulos de Cristo que lleven esperanza a nuestra comunidad y al mundo. Este reconocimiento reafirma la importancia de esa misión y el impacto que tiene en nuestros estudiantes cada día.

El Premio Blue Ribbon del Gobernador reconoce a las escuelas que demuestran un desempeño ejemplar, pero en Queen of Angels el éxito se mide de muchas maneras. Celebramos a los estudiantes que sobresalen en el salón de clases, participan en deportes y actividades extracurriculares, sirven a sus comunidades, lideran con carácter, crecen en la fe y se apoyan mutuamente con amabilidad. Estas experiencias ayudan a formar jóvenes integrales, preparados no solo para el éxito académico futuro, sino también para vivir vidas con propósito y espíritu de servicio.

Estamos especialmente agradecidos con nuestros dedicados maestros y personal, cuyo compromiso con los estudiantes va más allá de la jornada escolar. También agradecemos a nuestros padres de familia por su colaboración y confianza, así como a nuestra parroquial por su constante apoyo a la educación católica. Juntos hemos construido algo especial.

Al celebrar este importante logro, reconocemos que no es una meta final, sino un recordatorio de lo que es posible cuando una comunidad se une en torno a una visión compartida. Esperamos continuar esta labor, permaneciendo fieles a nuestra misión y brindando una educación católica excepcional para las futuras generaciones de estudiantes.

Gracias a las comunidades de Queen of Angels School y Queen of Apostles Parish por hacer posible este logro. Este Blue Ribbon nos pertenece a todos.

Queen of Angels School earn Blue Ribbon status
La escuela Queen of Angels obtiene el estatus de Blue Ribbon

Queen of Angels School was awarded the Governor's Blue Ribbon School Award earlier this month. Only 24 schools in the state received the prestigious distinction. Queen of Angels was acknowledged, in part, due to its consistent performance above national benchmarks and data-informed individualized goal setting for students.

October 20, 2026

La Escuela Queen of Angels recibió el Premio Cinta Azul del Gobernador a principios de este mes. Solo 24 escuelas en el estado obtuvieron esta distinción. Queen of Angels fue reconocida, en parte, por su desempeño constante por encima de los estándares nacionales y por establecer metas individualizadas para los estudiantes basadas en datos.

The award comes through the daily practice of excellence by our dedicated teachers, curious students, and supportive parents. Queen of Angels balances award-winning curriculum, robust learning support and enrichment programs, and co-curricular programs, allowing students to grow while protecting the joy of childhood. QofA previously won the Blue Ribbon in 2013 and qualified in 2025 before the program closed. **School tours available.**

El premio es fruto de la práctica diaria de excelencia por parte de nuestros dedicados maestros, estudiantes curiosos y padres comprometidos. Queen of Angels equilibra un currículo galardonado, sólidos programas de apoyo y enriquecimiento académico, y actividades extracurriculares que permiten a los estudiantes crecer mientras preservan la alegría de la infancia. QofA ganó anteriormente la Blue Ribbon en 2013 y se calificó en 2025 antes de que el programa cerrara.

SPRED – Small Faith Communities Welcoming Friends with Special Needs

SPRED – Comunidades de Fe para Amigos con Necesidades Especiales

I would like to thank our new volunteers who visited a SPRED session at the Parish Office Center and chose to partner with one of our friends.

We especially want to introduce two members of our Thursday evening community. Alex, in his 30s, is bilingual, athletic, and friendly. A longtime SPRED member, he is eager to welcome and guide new companions. McClean, in her 20s, is bilingual, energetic, independent, and has been part of SPRED since age 11. She will help you feel at home.

Alex and McClean are looking for companions. SPRED's one-to-one friendships are at the heart of our community and provide support, trust, and belonging.

Please consider joining us! Speak with a SPRED catechist after Mass, stop by the Parish Office Center, or attend a SPRED prayer session to learn more. You may also contact Julie Hess at 773-539-7510 for an interview and program overview.

Your time and friendship will make a lasting difference. Alex and McClean are counting on you!

Quiero agradecer a nuestros nuevos voluntarios que asistieron a una sesión de SPRED y decidieron acompañar a uno de nuestros amigos.

Deseamos presentarles especialmente a dos miembros de nuestra comunidad de los jueves por la noche. Alex, de 30 años, es bilingüe, atlético y amigable. Ha participado en SPRED desde su infancia y está listo para dar la bienvenida a nuevos compañeros. McClean, de 20 años, bilingüe, alegre, independiente y parte de SPRED desde los 11 años. Ella te ayudará a sentirte como en casa.

Alex y McClean están buscando compañeros. Las amistades uno a uno son el corazón de SPRED y brindan apoyo, confianza y sentido de pertenencia.

¡Considere unirse! Hable con un catequista después de Misa, visite el Centro Parroquial o asista a una sesión de oración de SPRED para conocer más sobre el programa. También puede comunicarse con Julie Hess al 773-539-7510 para una entrevista y explicación general del programa.
